Dear Gen (Rtd) Summanwar

Thank you very much for your invitation to attend the International **Exhibition and Conference on Homeland Security** at the Ashoka Hotel New Delhi from 28-30 April 2010.

2. I am glad that greater sensitivity and awareness is being evinced in the country towards this very important issue of Homeland Security. The fact that an environment of security is the paramount need for any developing society needs no emphasis. As our great country has embarked on its relentless mission of sitting on the high table with the industrialized and developed Nations of the World, it is imperative that a conducive and congenial Homeland Security apparatus encompassing the law, the will, the training and the latest and best technological gadgets available should be appropriately fused in a harmonious and congruent manner in order to achieve the goals of the Nation.

3. I am sure this Exhibition and Conference being organized by you will go a long way in enhancing the awareness and the need for top class Homeland Security in every patriotic Indian.

4. I wish the Exhibition and the Conference a great Success.

With best wishes

Yours

Sincerely

(Vijay Raman)
