MESSAGE

I am happy to learn that the Global Security Asia Exhibitors are organizing the International Conference and Exhibition on Homeland Security – ‘Global Security India 2010 at New Delhi during April 28-30, 2010.

Homeland Security is a pressing concern in the present context as internal security is the foremost priority for progress and sustainable development. Our Security Forces combating terrorism must get the best equipment and weapons systems to face the challenge of terrorism. I am sure that the Conference and Exhibition will provide a platform for users to interact with producers of equipment.

I extend my greetings and felicitations to the organisers and the participants and wish the event every success.
