Media Partners

With the Indian Homeland Security budget set to grow by a massive 25% to over Rs.36,841 crore (US\$29.52 Billion) in 2010, this is an opportunity not to be missed. India is now the fastest growing market for homeland security equipment in the world and will continue to increase for the foreseeable future.

The Conference will give a unique overview of work undertaken not only by the MHA but also by their relevant Agencies which will include focussing on their procurement plans for the coming years.
